SX Mighty Strength Seal & Fix

Durable, flexible, adhesive and sealant

Now available in both 290ml Cartridges and Economical 600ml Foils

Suitable for sealing joints around sanitary fixtures, perimeter joints around window and door frames and joints and assemblies in coach body work. For gluing panels, skirting boards, thresholds and insulation materials. Will seal and bond glass, porcelain, coated metal, epoxy and polyester panels, polystyrene, PVCu, stainless steel, anodised aluminium and finished wood. Has excellent anti-pick qualities making this product suitable for use in correctional institutions and areas where vandalism of sealant may occur.

The advantages of Seal and Fix MSP over traditional Polyurethane & Silicone sealants:

- ✓ Superior adhesion to a wide variety of materials even without primer;
- ✓ Applicable in a wide range of situations and temperature;
- ✓ Excellent elastic behaviour and durability;
- ✓ Great mechanical properties with excellent anti-pick qualities
- ✓ No bubbling in the curing process
- ✓ No shrinkage while curing
- ✓ Will bond to damp surfaces
- ✓ Over paintable with most types of paints
- ✓ No isocyanate and no solvents better on the installer and the environment.
- ✓ Good storage stability
- ✓ Weather resistance
- ✓ Relatively quick curing
- ✓ Low risk of staining
- ✓ Odourless
- ✓ Approved by SEGA to EN 1186 and EN 13130 and CEN/TS 14234, European standards for food preparation. May be used safely in **food preparation and cold storage areas**.

Advantages of 600 gm foil sausages over traditional tubes:

- ➤ More economical to purchase.
- ➤ Less packaging waste
- ➤ Easier to apply for larger users
